

## **Democratic Party of Taylor County, WI**

***“AS GOES WISCONSIN, SO GOES THE NATION”***

*We are writing to ask for your help in supporting our mission in Taylor County. The Democratic Party of Taylor County is dedicated to promoting the interests of democratic and progressive principles and to elect Democratic and progressive candidates—from town halls to the White House. Through generous donations, we have been able to:*

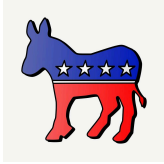

- create a website informing people of our presence in the community and upcoming opportunities for people to engage in promoting democracy*
- community service projects for the benefit of veterans, literacy programs for local schools, etc.*
- participate in county-wide parades (Jump River, Rib Lake, Harvest Days in Medford) and the local fair*
- pay for advertising to promote local Democratic candidates and democratic ideals – we need to elect people who will actually work for everybody and will actually try and build consensus*

*We also host or promote other educational and social activities to further our goals.*

*But, we need your help to continue to make a difference in **your** community. Your donation will help us achieve our goal and make a difference in promoting democratic values and continue to have a presence in Taylor County.*

*Any amount you can give would be greatly appreciated and go directly toward helping us reach our goal. You can donate by sending a check made payable to the **Democratic Party of Taylor County** in the envelope included in this letter. Thank you for considering this request and for your continued support.*

Please make checks payable to:
